

Edgar Law Firm Announces \$5,000,000 Nationwide CVS Settlement

September 1, 2011

Edgar Law Firm LLC, serving as co-lead counsel, announces that on September 1, 2011, the Circuit Court of Jackson County, Missouri, the Honorable John M. Torrence presiding, approved a nationwide settlement in a consumer class action, which was filed on behalf of a number of plaintiffs against defendants CVS Pharmacy, Inc. and CVS Caremark Corporation (“CVS”). The case stems from CVS's practice of charging a fee to customers (or customers' representatives) who requested a copy of pharmacy prescription records. Plaintiffs claim that the fees charged by CVS were unreasonable and that CVS committed breach of contract and was unjustly enriched by their collection. The settlement provides for a fund of approximately \$5,000,000 to provide monetary relief to the class, which includes over 400,000 persons/entities that paid for pharmacy prescription records since January 1, 2003.
